Schedule your appointment with the appropriate advisor

Contact a University College academic advisor at (309) 438-7604 if you fall into one of the following categories:

- You are an undeclared student, meaning you have not declared a major or were not admitted into the major of your choice.
- You will have fewer than 24 semester hours completed by the time you begin classes at Illinois State.
- You are an unclassified student.

Contact an advisor within your major department/school if you are admitted into a major. Refer to your letter of acceptance for your admitted major. Contact information for department advisors is available at UniversityCollege.IllinoisState.edu/TransferDays. Spring class registration is not allowed until after meeting with an academic advisor.

To register for the best selection of classes, you are strongly encouraged to contact your academic advisor immediately to arrange an advisement appointment. Contact numbers for University College, as well as departments/schools, are listed on the Transfer Day Program website.

Housing

ISU’s on-campus housing policy requires students to live in the residence halls or Cardinal Court their first two years out of high school. If you are interested in completing an “exemption request” to live off campus, visit Housing.IllinoisState.edu. Students who are not required to live in the residence halls or Cardinal Court but would like to do so should complete a “request to live on campus” form available within the Housing and Dining portal at Housing.IllinoisState.edu.

Students who are living off campus can visit the Off-Campus Housing Database at OffCampusHousing.IllinoisState.edu to search for living options or look for roommates. Contact the Leadership and Community Connections Unit of the Dean of Students Office at (309)438-7346 or LCC.DOS@IllinoisState.edu.
